RULES OF REGISTRY FOR VOL. I, APPROVED BY THE UNITED
STATES DEPARTMENT OF AGRICULTURE.

Cats may be registered in the Stud-Book of the American Cat Association when they conform to the following requirements:

- Rule 1. When sire and dam have been registered in this Stud-Book in the section where the cat belongs.
- Rule 2. When sire and dam have been registered in the Beresford Cat Club Stud-Book as of the breed to which the cat belongs.
- Rule 3. When cat has been registered in the Stud-Book of the National Cat Club of England or in the Cat Club Register as of the breed to which the cat belongs.
- Rule 4. When cat shows three top crosses of sires of one breed registered in the Stud-Book of the American Cat Association, or in the Beresford Cat Club Stud-Book, or in the Stud-Book of the National Cat Club of England, or in the Cat Club Register, on satisfactory evidence of that fact.
- Rule 5. When cat of any of the breeds recognized by the American Cat Association has been bred in Persia, Turkey, Japan, Mexico, the Isle of Man, or Abyssinia, on satisfactory evidence of that fact.
- Rule 6. When cat of any of the breeds recognized by the American Cat Association has been imported from European countries, on satisfactory evidence that it is of pure blood of its breed.
- Rule 7. When long-haired Persian (or Angora) cat, bred in the New England States, or of direct descent in pure blood from such stock, has won a prize in the regular classification at a show held under the rules of the American Cat Association.
- Rule 8. When cat shall have won a championship at a show held under the rules of the American Cat Association.
- Rule 9.** (In force only from June 25, 1907 to June 25, 1908). Pedigrees of cats which can be proved of pure breeding to the satisfaction of the Board of Directors, but which through technicalities may not be eligible to registry under the foregoing rules, may be accepted for registry as foundation stock by the Board of Directors and assigned new numbers in regular order.
