## RULES OF REGISTRY FOR VOL. IX.

---

Cats may be registered in the Stud-Book of the American Cat Association when they conform to the following requirements:

Rule 1. When sire and dam have been registered in this Stud-Book in the section where the cat belongs.

Rule 2. When sire and dam have been registered in the Beresford Cat Club Stud-Book as of the breed to which the cat belongs.

Rule 3. When cat has been registered in the Stud-Book of the National Cat Club of England or in the Cat Club Register, or in the Governing Council of the Cat fancy, as of the breed to which the cat belongs.

Rule 4. When cat shows three top crosses of sires of one breed registered in the Stud-Book of the American Cat Association, or in the Beresford Cat Club Stud-Book, or in the Stud-Book of the National Cat Club of England, or in the Cat Club Register, or in the Governing Council of the Cat Fancy, on satisfactory evidence of that fact.

Rule 5. When cat of any of the breeds recognized by the American Cat Association has been bred in Persia, Turkey, Japan, Mexico, the Isle of Man, or Abyssinia, on satisfactory evidence of that fact.

Rule 6. When cat of any of the breeds recognized by the American Cat Association has been imported from European countries, on satisfactory evidence that it is of pure blood of its breed. A cat imported in utero may be registered under Rule 6.

Rule 7. When long-haired Persian (or Angora) cat, bred in the New England States, or of direct descent in pure blood from such stock, has won a prize in the regular classification at a show held under the rules of the American Cat Association.

Rule 8. When cat shall have won a championship at a show held under the rules of the American Cat Association.
